

# WAYNE COUNTY COMMUNITY COLLEGE DISTRICT POLICE AUTHORITY ESCORT SERVICE

Even in the best lit areas, any person may feel intimidated about walking alone after dark. The District Police Authority Escort Service ensures the safety of students, faculty, staff and visitors by walking them to their destination. The Department offers safety escorts to individuals who request safety assistance as they walk to and from on-campus locations. The safety escort service is provided by trained Officers and Student Safety Corps. Escort Services are free and can be arranged by calling the District Communication Control Center or walking up to the District Police Authority office or desk located on each campus and requesting one.

*When requesting an escort, you will need to provide your name and location to the dispatcher so that an officer can arrive at your location in a timely manner.*

*To request a safety escort or to report an emergency or criminal activity on or near the campus, call the District Police Authority at 313-496-2800*

## WCCCD EMERGENCY ALERT SYSTEM

WCCCD has implemented an Emergency Alert Notification System to better disseminate information during campus emergencies. The alert system will send information regarding emergency conditions, including weather cancellations and delays.

## AUTOMATIC EXTERNAL DEFIBRILLATOR (AED) AND FIRST AID SERVICES

District Police Authority provides first aid response to students, faculty, staff and visitors. Contact the District Police Authority phone number in the event of an emergency incident while on campus.

— and adjacent areas —**

**24 hours a day,  
365 days a year.**

The Wayne County Community College District Police Authority Department is a full-service law enforcement agency working on WCCCD campuses and auxiliary locations across Wayne County. WCCCD Police Authority officers are licensed and recognized by the Michigan Commission on Law Enforcement Standards (MCOLES), and share the same authority and responsibilities as Michigan State troopers, Detroit Police officers, and Wayne County Sheriff deputies in the enforcement of Michigan State laws as well as local ordinances, in addition to the policies of WCCCD.

The Wayne County Community College District Police Authority provides security and support services on District properties and adjacent areas 24 hours a day, 365 days a year. In addition to round-the-clock patrols and surveillance on WCCCD campus locations, the Police Authority regularly assists the Wayne County Sheriff's Department with off-campus investigations, searches, and arrests.

The District Police Authority operates out of a centralized command center – the District Communication Control Center – where an experienced staff of emergency communications personnel is ready, 24-7, to field distress calls and coordinate immediate police, fire, or emergency medical services response. The center is equipped with the latest technology needed to monitor and maintain the safety and security of those on District properties and in adjacent communities.

## Specialized Officer Training

WCCCD Police Authority officers undergo routine, supplementary trainings at the Michigan Institute of Public Safety Education in a range of emergency response scenarios. This ensures that all WCCCD officers, independent of prior service experience, are equally prepared to quickly and effectively respond to any scenario they may face on or off campus, from a victim suffering a heart attack to an active shooter. Ongoing training and practice ensures that WCCCD Police Authority officers are best prepared to serve, alone or alongside the partner agencies, the public interest.
