

- Upon completion, graduates are eligible to challenge a national certification exam through the American Society of Anesthesia Technologists and Technicians (ASATT-NCE). The exam measures the WCCCD anesthesia technology graduates competencies needed to perform safely and effectively as an entry-level graduate anesthesia technologist. The table below identifies the three-year pass rates for anesthesia technology graduates. Threshold percentage for first-time test takers through CAAHEP is 80%.

Reporting Period	Results	Pass Rate (1 st Attempt)	Pass Rate (2 nd Attempt)
6/1/2023 – 11/30/2023	No Graduates Attempted	N/A	N/A
12/1/2022 – 5/31/2023	100%	100%	N/A
6/1/2022 – 11/30/2022	100%	100%	N/A
