

Surgical First Assistant

Upon completion, graduates are eligible to take a national assessment through the National Board of Surgical Technology and Surgical Assisting. This assessment certifies WCCCD Surgical First Assistant graduates to help them obtain employment within their field of study. Below you will find the outcomes of the last 3-years of Surgical First Assistant graduates that attempted the national assessment exam as well as percentage passed.

REPORTING YEAR	Number of Test Takers	Number of Test Takers that Passed	% PASSED
2021	10	10	100%
2022	10	10	100%
2023	13	13	100%
