Wayne County Community College District's Michigan Institute for Public Safety Education (MIPSE) Provided Community Emergency Responder Training (CERT)

WCCCD's Michigan Institute for Public Safety Education (MIPSE) assisted local Community Emergency Responder Training (CERT) teams in training sessions for their communities. Participants learned both in the classroom and during skill exercises. The training sessions included: first aid and CPR, search and rescue, fire safety and others. They were able to experience real life situations by training at MIPSE.
