

SPECIALIZED TRAINING

Wayne County Community College District's
Michigan Institute for Public Safety Education (MIPSE)
Provides Training for
Detroit Fire Academy & Regional Training Center

The District's Michigan Institute for Public Safety Education (MIPSE) in partnership with the City of Detroit Fire Academy and Regional Training Center provides the facility for various types of fire training. The specialized training includes fire suppression, Self-Contained Breathing Apparatus (SCBA) challenge, maze simulation, search and rescue training techniques.
