

SPECIAL EVENT

Wayne County Community College District's Michigan Institute for Public Safety Education (MIPSE) Provides a "Live Burn" Workshop for Fire Fighters

Wayne County Community College District's MIPSE Complex hosts a "Live Burn" event that is open to all fire fighters throughout the area each year that allows them to practice and enhance their skills. Under the guidance of certified WCCCD instructors, who are also firefighters, participants engage in numerous fire confinement and extinguishing practices, utilizing MIPSE's state of the art five-story training tower; automobile and airplane simulators.
