Team members continued to reach out to prospective students providing them information on registration and enrollment assistance for Fall 2018.

Division of Educational Affairs

Faculty Focus: Mentored Post-Doctoral University of Michigan/WCCCD Fellow(s) Present at Emory University

Science faculty and CharMaine Hines attended the Institutional Research and Academic Career Development Awards (IRACDA) conference at Emory University where WCCCD fellows presented.

Faculty Facilitating Excellence in Online Learning

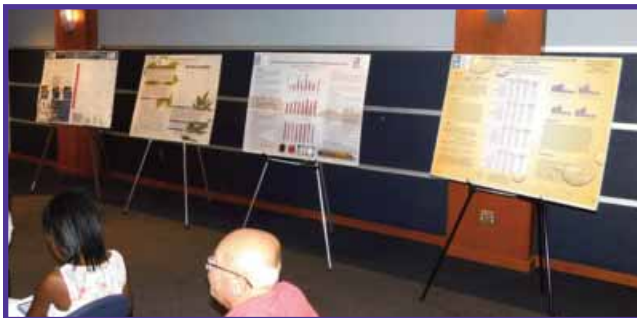

The mission of the Distance Learning Taskforce is to expand on the development of distance learning standards and practices towards the promotion of student success, a culture of collective responsibility for excellence in a quality online courses in support of the District's certificates and degree programs. The taskforce meets regularly to review goals and outcomes established for the term.

Water Research Presentation

Downtown Campus

Students from the Water Analysis Research Project presented findings from their research over the eight-week project at the Downtown Campus. Presentations included data from the microbial and heavy metal levels found in the Detroit River. The program will utilize the data in the future to monitor the river over time for changes by season.

Division of Educational Affairs

Employed and Making a Difference: Alumni and Summer Guest Student

WCCCD Alumni Eric Manning oversees the Front Office Management at the Emory University Conference Center. He is a guest student from MSU who benefited from the excellent academic transfer course curriculum, low cost and flexible summer schedule allowing him to complete his Bachelor's degree.

Full-Service Preventative Dental Hygiene Clinic

The Dental Hygiene Program offers a hands-on clinical education experience for students. Open to the public and District community, the program provides preventative dental hygiene services staffed and supervised by experienced and licensed dental professionals.

Learning Resources Center Collections

The District's Learning Resource Centers offer a collection of 25,000 general and reference E-Books via EBSCO Electronic Books. This service is available at no cost to students, staff, and members of the community with a registered WCCCD library card.

Division of Human Resources

Human Resources Compliance

The Division of Human Resources understands the importance of aligning staffing needs with our Chancellor's Priorities and the District's Strategic Plan. In an effort to achieve the goals and objectives set forth by the District's mission and the strategic plan, we are currently reviewing:

Alignment 2015-2020 Strategic Goals

- Staffing strengths
- Job descriptions
- Transcripts
- Certifications and Licenses
- W-9 and I-9 compliance
- Contract and assignment
- Employee verifications
- Evaluations

Goal #3: Development of Institutional Resources WCCCD will increase its capacity to meet change student business and community needs through the advancement and sustainability of its human, financial, physical and technological resources.

Goal #5: Advancement of Instructional Innovation WCCCD will advance curricular, co-curricular, and innovative student-centered services that respond to the dynamic educational needs of its students and promote global and cultural competence.

Mission

WCCCD's mission is to empower individuals, businesses and communities to achieve their goals through excellent and accessible services, culturally diverse experiences and globally competitive higher education and career advancement programs.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
