Denise Wellons-Glover Welcome Center Open House

The Northwest Campus hosted the Redesign Kickoff of the Denise Wellons-Glover Welcome Center. Attendees got a glimpse of the renderings for the renovation project. The redesigned space will feature classrooms, a ballroom/banquet hall, and conference facilities.

Dr. Ivery embraced some of our “younger” guests.

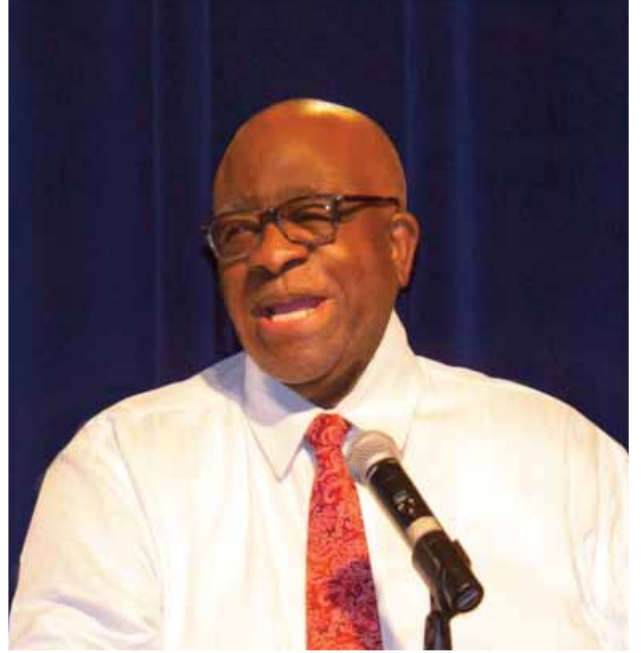

Community Update

October 4, 2018

Chancellor's Leadership Institute Community Update

Law Enforcement Day

Division of Student Services

Student Activities

Campus Life Activities

Dr. Tammy Anderson presented “Semester Strategies” at the Downtown Campus. Students received information on time management, money management, career selection, note taking, interview skills, test taking, and Smart Thinking.

The WCCCD Men's Basketball team supported the “For A Better Life” walk through Detroit. Go Wildcats!

Student Executive Council

Introducing the Northwest Campus Student Executive Council Representative, Chidera Imoh. She is pursuing an Associate's Degree in Nursing. Ms. Imoh is working towards becoming a nurse practitioner and then going to medical school to be a pediatrician.

Michigan College and University Partnership (MiCUP)

Dr. Tammy Anderson attended the King Chavez Parks MiCUP Conference outlining the requirements universities must meet to participate in MiCUP. WCCCD participates in the grant funded program in partnership with MiTech, University of Michigan and Eastern Michigan University.

Student Services Functions

Student engagement is important to student success! WCCCD has organized various campus life activities to promote students' common interests, as well as encourage and support academic growth and career success. Participation in campus organizations is open to all students. (Academic Requirements Apply)

- American Chemical Society*
- Beta Beta Beta Club (Biological Honor Society)*
- Board Gaming Club
- Console Gaming Society
- Criminal Justice Club
- Genealogy Club
- Kingsman Chess Club
- Muslim Student Organization
- Phi Theta Kappa International Honor Society*
- Student Executive Council
- Student Nurse Association (Nursing Club)*
- Veteran's Organization

Student Support and Engagement

Trio-Student Support Services participated in a special student reception at the Detroit Economic Club Luncheon with keynote speaker Chairman and CEO of Southwest Airlines, Gary Kelly. Students were able to directly interact with Mr. Kelly and business leaders asking key questions during a special student reception.

Student Success Center

Staff from the Student Success Center are assisting students face to face while others are making calls.

Student Activities

WCCCD student organizations and clubs presented “Open Mic” at the Downtown Campus. Participants were informed about the various student organizations, certificate and degree programs, and support services available. Students, staff, and faculty members were able to participate in karaoke, a poetry slam, and talent display while socializing and networking.

The Downriver Campus hosted a PTK orientation. This was an opportunity for eligible students to obtain information about PTK, form completion and obligations. They also provided PTK scholarship assistance.

“For a Better Life” Walk

“For a Better Life” Ted Scott Campus Style!

Division of Educational Affairs

Clinical Partnerships

Matt Green provided a tour of the Health Science Center to Steven Mladenovic and Helen Anonick who are supervisors for Beaumont Dearborn and Taylor Laboratory. Beaumont Health System is interested in becoming a clinical site for the Phlebotomy Program.

Simulation Laboratory

The NUR 110 Nursing Foundation students toured and received an orientation on the simulation laboratory.

Dental students met with U of M representatives to discuss furthering their education after graduation.

Division of Educational Affairs

Spotlight on FACULTY

Professor Samer Hanna (pictured on the right) is a full-time faculty member in Chemistry at the District.

Accountability Process

To ensure the appropriate alignment of processes related to academic functions at the District, divisional and academic campus administration staff members met to review procedures associated with the 2019 Academic Schedule and the selection of courses by faculty.

Division of Educational Affairs

Library and Learning Resource Workshops: Guides to Good Practice

The Michigan Electronic Library has updated its electronic resources to include a wider variety of options at no cost to all WCCCD students, faculty, and staff ranging from:

- Art and architecture to applied science and technology
- All resources related to WCCCD programs
- General education transfer curriculum are being linked to our Learning Resource Centers' web page
- Resources are available 24/7
- To view full listing visit www.mel.org

❖ The Downriver Campus hosted a Learning Resource Center Orientation. Students learned how to access materials online and in traditional print. A tour included introductions to the library online catalog, magazine and journal databases, and the Internet.

Distance Learning

Digital learning can make education more affordable and efficient. Research supports that students benefit from many modalities of learning including face-to-face, solely online and hybrid (mix of face-to-face and line) approach (IHE, 2018). Online courses are reviewed annually for curricular learning outcomes in concert with all courses provided at the District.

Language Institute: American Sign Language

The Language Institute at the Downtown Campus presented The Global Language and Culture Series exploring American Sign Language. Professors Barbara Brewer and Chytorrie Bell presented on the world of the deaf community.

Look For Your Picture Here in “The Employee Recognition Corner!”

We acknowledge the service, effort and accomplishments that you contribute to the support of WCCCD values and goals. You Rock!

Recipients will receive the following:

- Your picture will be featured in the Weekend Memo
- A keepsake
- A gift bag
- A Recognition Certificate
- You will also be recognized at a special luncheon at the end of the year!

Division of Human Resources

HR Compliance: Time and Leave Reconciliation

The Division of Human Resources is currently conducting a reconciliation of the District's time and leave utilization which supports essential data to make necessary strategic decisions. The data further supports appropriate alignment across the District to provide essential services.

This practice allows the Division of Human Resources to:

- Follow General Accepted Accounting Principles (GAAP)
- Audit to ensure Data Documentation Accuracy (DDA) and reporting compliance
- Reconcile and verify employee alignment
- Provide Real-Time Data

HR Compliance Reports

The following are sample HR Reports:

Level 1 – Position Control Report
Attendance Report

Level 2 – New Hire Report
Faculty Pool Reports

Level 3 – Retirement and Separation Report
Faculty Seniority Report

Level 4 – Benefit Administration Report
FMLA Report
Leave Time Usage Report

Division of Institutional Effectiveness

What's Trending in IE: Women in STEM and Health Sciences

The Division of Institutional Effectiveness (IE) conducts local research to assist the District with improving the programs and services offered to students. Many STEM and Health Science fields can be entered with a two-year degree. Below are some data points regarding selected fields and women in STEM programs.

Fast-growing STEM and Health Science Fields

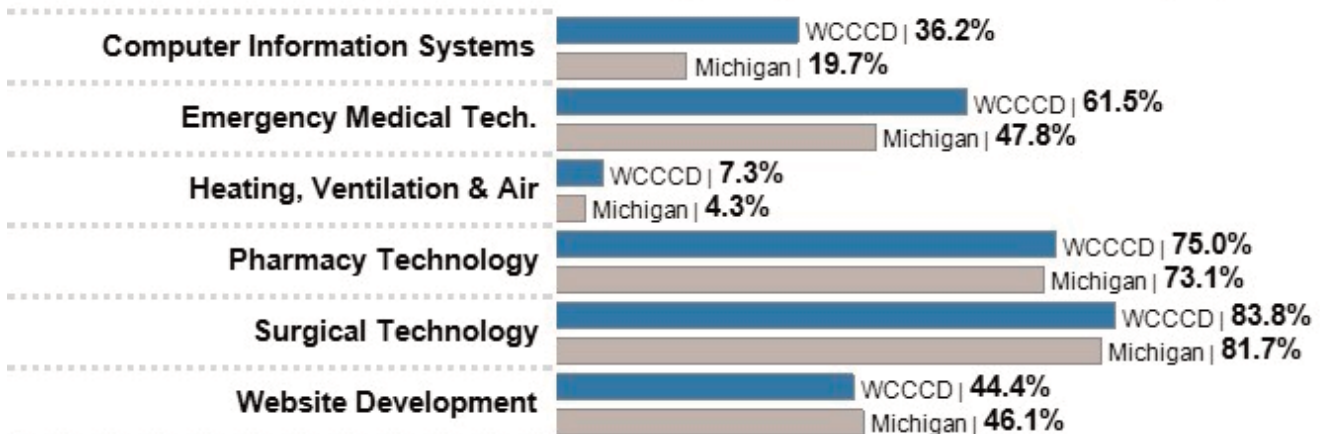

Below are some STEM and Health Science fields that are growing faster than average and can be entered with less than a bachelor's degree.

Mission

WCCCD's mission is to empower individuals, businesses and communities to achieve their goals through excellent and accessible services, culturally diverse experiences and globally competitive higher education and career advancement programs.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
