Division of Educational Affairs

Transfer and General Education Flexible Options for Students

Dr. Fidelis D'Cunha, Oneka Samet, and CharMaine Hines are reviewing information to update the currency of transfer equivalency and articulation agreements.

Distance Learning

Flexibility that Transforms Education

The increased accessibility and use of technology e.g. computers, laptops and mobile devices has changed how and where we learn. Transfer and career support courses at the District not only provide flexibility of options for our students but also diminishes geographical boundaries which transforms learning.

Library and Learning Resource

In an effort to understand and better meet the needs of our Learning Resource Centers, the Division of Institutional Effectiveness conducts periodic User Satisfaction Surveys.
