

Michigan Community College Association Summer Conference

Trustee Mary Ellen Stempfle, Dr. Randall Miller, and Furquan Ahmed represented the District at the Michigan Community College Association's Summer Conference.

District-wide Conference Day Planning Meeting

Save the Date- October 22, 2019

Career Program Review

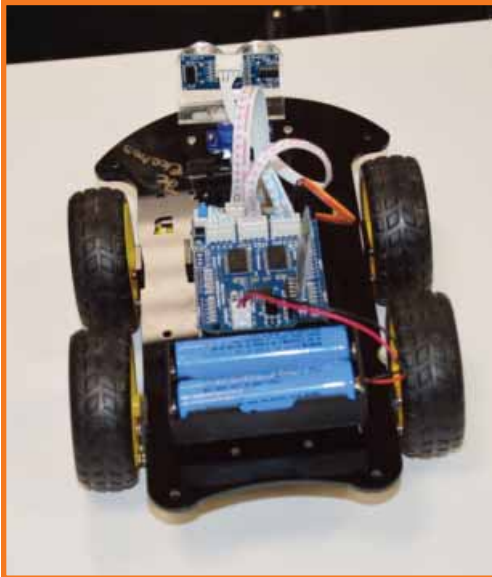

The Northwest Campus Administrative staff met with Dr. Ron Harkness to review career programs and recruitment strategies.

Summer Cool Kids Coding Camp

Summer campers participated in the building and programming of robots. They also learned how to present themselves through proper etiquette.

Division of Student Services

Recruitment and Outreach

Brian Singleton and Principal Phillips of Cass Technical High School met to discuss Fall 2019 plans and partnerships for the Dual Enrollment Program.

The Outreach Team attended the Detroit's Island Music Festival. They provided answers about admissions, program certificates, GED, and degree opportunities offered at WCCCD.

Antoinette Singleton provided registration information at Parkside Projects 11th Annual Community Health and Safety Fair.

Maali Luqman met with Congresswoman Rashida Talib at a local high school to promote the importance of higher education.

Division of Student Services

Student Success Center

Student interns are assisting with the documentation process.

Student Support Services

Staff assisted new international students with orientation in preparation for Fall 2019.

Admissions and Records

Kewan Covington is pictured assisting students with registration for Fall 2019.

Advising and Orientation

Joseph Kellum is pictured assisting a student with registration for the Cybersecurity Program at the Northwest Campus.

Division of Student Services

Chancellor's High School Leadership Institute

The Chancellor's High School Leadership Institute team met to strategize over the upcoming cohorts for the 2019 /2020 program.

Financial Aid

The District Financial Aid Office wants our students to succeed. That's why every quarter, we send out an "Email Blast" to students who had attended within the last three years. The email contains facts, news, and details about various topics from default management and loan repayment options, to budgeting finances and planning for the future.

Federal Workstudy Program

Carolyn Carter assisted Federal work study students with completing their paperwork.

Division of Student Services

Student Activities

Campus Life Activities

Student Services staff met with Will Sampson at the Northwest Campus to review upcoming summer campus life activities.

American Chemical Society

WCCCD Student, Hamza Hijazi, is the president of the American Chemical Society. His major is Biology.

Phi Theta Kappa

Phi Theta Kappa officers met to work on the College Project and plan the next general meeting on July 31, 2019.

Athletics Department

Coaches Young and Sharps are pictured with WCCCD student, Trinity Benton, who was selected as one of the top 40 players from across the country to play in the Women's NJCAA All-Star game held in Atlanta, Georgia.

Go Wildcats!

Division of Educational Affairs

The Role of Family in Facilitating Academic Success

A recent study on the role of family support in facilitating academic success for students (Research in Higher Education, 2019) concluded family emotional support is beneficial for academic outcomes. Support by family promotes psychological well-being and facilitates greater student engagement. Throughout the District, families are supporting their college students from celebrating enrollment completion to attending student undergraduate research presentations.

Faculty ESL Summer 2019 Community Outreach Efforts

Faculty members celebrated the close of a successful student engagement and community outreach effort held District-wide for Summer 2019. Faculty engaged students on the campuses, informed them of program and course offerings at the District as well as engaged students in building community while on the campuses.

Division of Educational Affairs

Learning Resource Center

Research Workshop

The Ted Scott Campus Learning Resource Center delivered a student focused workshop on conducting research. Participants learned the where and how of searching efficiently to find the best information on their topic.

Need a good book to read?

Visit the Downtown Campus Learning Resource Center to browse our new "Pick Me!" wall or browse the book collection. The library is filled with good reads from biographies to fiction.

Division of Educational Affairs

Career and Technical Education

Career programs play a vital role at WCCCD. Our students and community members can obtain high wage, high demand, and high skilled jobs by completing a certificate or degree. As Career Technical Education grows, the District is working to create many more opportunities for our students and community in preparing them for today's workforce.

Transfer Programs

Articulation agreements between WCCCD and universities help students complete their educational pursuits and to receive college credits at an affordable price and at their convenience, New articulation agreements signed recently include:

WCCCD's Pre-Engineering Associates Degree transfers to:

- Baker College**
- Civil Engineering (BS)
- Electrical Engineering (BS)
- Mechanical Engineering (BS)

English Discipline Meeting

Faculty within the English discipline met with Denise Shannon to discuss curriculum and provide updates at the Downtown Campus.

Fieldtrip - Humanities

Professor Lourie Davis, students, and family participated in a fieldtrip to the Detroit Institute of Arts. Ms. Davis utilizes the DIA as a classroom and together celebrate the process of learning through the arts.

Division of Educational Affairs

Distance Learning

Online Student Readiness Experience

Distance Learning staff conducted the Online Student Readiness Experience at the Downriver and Ted Scott campuses. The "Experience" is designed to assist students in developing the skills required to be successful online learners.

Distance Learning is now accepting course shell requests in Blackboard. We have received more than 30 requests for Fall 2019.

Mission

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

Vision Statement

Wayne County Community College District will be recognized as an institution that has achieved national and international recognition for enduring excellence as a comprehensive multi-campus community college district. WCCCD will focus on continuous self-evaluation and improvement; preparation of a highly skilled workforce in support of the Wayne County economy; student academic and career success, and leadership in strengthening the open door philosophy of educational opportunity.
