## Continuous Quality Improvement

The Continuous Quality Improvement Audit Center collects, reviews and conducts monthly reconciliations and on-going audits of all District data. A systematic approach is used to procure data from multiple sources, allowing for collective knowledge through accountability and transparency.

Syed Hussain and the CQI Audit Team are currently reviewing and auditing our procedures and protocols to ensure that our processes are current for the following:

- Payroll and Compensation
- Inventory Protocols
- Assessment of Internal Controls
- Risk Assessment
- Payroll and HR Interface Audit

The Team will provide an update of an new and/or potential audit issues.

## Division of Educational Affairs

### Summer Semester Provides Students an Academic Advantage

Summer classes will begin next week which benefits our current students, guest transfer students and provide flexible options for those looking to complete a degree. There are many advantages for taking courses during the summer including:

- Ability to catch up or move ahead in your program of study
- Provides for more optimal learning environment
- Typically smaller class sizes
- More focused study on difficult courses
- Maintains study routine

### Career/Transfer Programs

Through continuous quality improvement efforts, each syllabus for the District is reviewed to ensure that the standards set by the Division of Educational Affairs have been met. The course syllabi is an important tool used to ensure students are informed and knowledgeable of the overall course delivery, logistics, instructor expectations, instructional objectives, expected student outcomes and course competencies. Course Syllabi should be completed and submitted to campus Instructional offices each semester.

The Higher Learning Commission is important to community colleges to affirm its ability to provide a quality curriculum, teaching and learning as well as acknowledge its reputation of excellence in meeting the needs of its community, students, faculty and staff. WCCCD is in the evidence statement development phase looking at best examples of evidence for each criterion. Below are evidence examples that meet Criterion One: Mission.

## Criterion One – Mission

The institution’s mission is clear and articulated publicly; it guides the institution’s operations.

1a. The institution’s mission is broadly understood within the institution and guides its operations.

### DID YOU KNOW?

The mission statement is routinely reviewed to determine if it addresses significant elements to address the needs of the individuals it serves.

The **WCCCD Mission Survey** gathers feedback and input from the college community. The District community reported the following areas in the mission statement as

### Most Significant Elements:

- Empower Individuals, Communities, and Businesses
- Culturally Diverse
- Career Advancement Programs

5-Year Capital Improvement Plan

# Division of Human Resources

## HR Compliance Data Integrity and Automation

In preparation for faculty payroll for Fall 2019, the Division of Human Resources, with the assistance from the Division of Administration and Finance conducted comprehensive faculty payroll and assignment audit. All faculty were required to verify and certify their Spring 2019 instructional class load assignment controls.

### Benefits of Payroll Audit

- Prevent payroll fraud by weeding out ghost employees or mismarked time sheets
- Catch manual errors made when entering numbers into a system
- Remove any highlighted terminated employees from your payroll
- Spot calculation mistakes if any
- Verify tax withholdings
- Accurately account for paid or unpaid time off
- Compare hours paid to when employees clocked in
- Ensure you are compliant with employment laws

# Mancode Technology Conference

Hello Ms. Browner,

I just wanted to thank you for the opportunity of a lifetime for my two grandsons who are in the third grade to learn computer "Coding" they could not stop talking about what they had learned and wanted MORE! My two younger high school cousins attended and loved the coding and the cyber security sessions. These four male family members learned a great deal more about computers and asked when is the next event....

Anyway, my thanks to you for an excellent learning experience for the males in my family who reside in Detroit. I hope WCCCD continues to uplift and expand the young minds of Detroit residents.

Best wishes,  
Pamela Jones
