## 2019 Career and Technical Training Information

According to Applied Education Systems, Career and Technical Education (CTE) has become a major pillar of the American education system over the past several years. CTE is a nationwide phenomenon that does everything from increasing high school graduation rates to boosting the overall U.S. economy. Other facts about CTE:

- Between 2012 and 2022, there will be more than 50 million job openings
- 27% of people with an associate's degree or less out-earn those with a bachelor's degree
- Technical and applied science graduates earn \$2,000 to \$11,000 more per year than those with a bachelor's degree

WCCCD offers more than 130 degree and certificate programs.

Dr. Patrick McNally, Stephanie Coffey, Dr. Abby Freeman, and Dr. Paige Niehaus met to discuss a comprehensive plan for the transformation of the LRC's and Learning Commons across the District.

## WCCCD Partnership with the Detroit Public Library

WCCCD students have ongoing access to library services, through a partnership with the Detroit Public Library (DPL). Sunday library service is provided at three locations (Main Library, Redford, and Wilder branches), October- May from 1:00-5:00 p.m.

Students who are Detroit residents are encouraged to apply for a DPL, which allows for materials to be checked out and Internet access. Students who are non-Detroit residents, and have a valid card from a MLibraryCard member library, may also borrow materials from all DPL locations.

With 22 convenient library locations throughout Detroit, WCCCD students have access to:

- ❖ Over 1,100 public computers,
- ❖ Cultural and educational activities and programs,
- ❖ Special and digital collections, and services such as:
  - ❖ Skills Training
    - ❖ Adult Literacy and GED
    - ❖ Career and Employment Help
