Michigan New Job Training Program

The Michigan New Jobs Training Program authorizes community colleges to temporarily capture the state income tax withholding associated with newly hired workers to pay for training. To date, 244 employers have been served by the program, and 26,875 projected new jobs are receiving training via the existing MNJTP agreements.

Stay Home Order Extended To June 12; Emergency Extended To June 19

On Friday, May 22, Governor Gretchen Whitmer ordered the extension of the stay home order two more weeks to June 12. The prior order was set to expire May 28. The order indicates restrictions within the orders continue to ease as the Governor has also allowed for social gatherings of up to 10 people and allowed further businesses openings for auto sales and retail.

"While the Governor continues to ease restrictions on her stay home stay safe directive, colleges and universities across the country continue to evaluate the difficulty decisions of if, when, and in what format to resume classes in the fall. On a lighter note, thank you to the college presidents who contributed to a video montage with encouraging words for the students we serve. Be safe and be well everyone." ~ Mike Hansen, President, Michigan Community College Association

Higher Education Emergency Relief Fund Guidance

The U.S. Department of Education (ED) has updated their guidance page for the Higher Education Emergency Relief Fund (HEERF) established by the CARES Act. In the update, ED stated that their guidance for the HEERF is not enforceable by law other than what is in statute. Particularly, they focused on the language regarding Title IV eligibility for student emergency grants. ED also stated that Title IV eligibility guidance is specific to the distribution of emergency financial aid grants and does not apply to the use of HEERF institutional allocations to cover any costs associated with significant changes to the delivery of instruction due to the coronavirus.

MCCA Strategies for Community Colleges Re-Opening Sessions

The District is a member of the MCCA and CharMaine Hines actively participants in weekly video meetings. The Chancellor also participated in this session.

Regional Training Center-Talent and Economic Opportunity

WCCCD Horizontal Infrastructure Training Center

Partners and sponsors visited the site selection on Greenfield and Joy Road.

The team is reviewing the site for outdoor and online training programs:

- Utility Lineman Bootcamp
- Heavy Equipment Operator
- Facilities Maintenance and Grounds
- Housing Rehabilitation
- Contractors/Supplier Development (Entrepreneurship)
- Logistics and Transportation (CDL)

Summer 2020 Computer Camp

WCCCD and the Rainbow Push Coalition are partnering again to increase awareness and competency in STEAM, mobility and technology to youth, grades 6-12. This innovative, online camp will provide long-term skill development for kids who see the future of STEAM based careers. In light of the global pandemic of COVID-19, we have collaborated to develop a program to educate Wayne County middle and high school students at home. We are dedicated to delivering an excellent e-leaning experience to students at home requiring no additional software or installation, just a computer with internet access.

Division of Educational Affairs

Fall 2020 Face-to-Face Classes

The Division of Educational Affairs is working hard to create a well-rounded face-to-face class schedule District-wide for Fall 2020. Classes must be held in a safe manner, with a reduced population in each class, and meeting for shorter time frame as much as possible. These classes will complement the Distance Learning schedule already available for student registration.

District Offers Textbook Curbside Pick-up and Mail Delivery for Summer 2020

The District offers multiple flexible options for our students to receive their textbooks for the Summer 2020 semester. Students can purchase their Summer 2020 textbooks from the WCCCD campus bookstore online where the bookstore offers three (3) convenient delivery options including:

- Delivery by mail to the students home
- Curbside pick-up
- In-person, social distancing protocol pick-up at one of three campus locations

Division of Educational Affairs

Closing Out the Spring 2020 Semester

Faculty at the District have been diligent in their submissions of requested student engagement and tracking communications as the spring 2020 semester closes. The campus deans and District staff are consistently responding to the Faculty Hotline's email and phone inquiries.

Final Grades

As the Spring 2020 semester is wrapping up, exams will be taken, and students will be completing assignments. Final grades will be due June 11, 2020 to end the semester. A refresher tutorial regarding "How to Enter Final Grades" is available on the Faculty Resources webpage.

Resources for our Faculty

While we are finishing the final weeks of the semester, it's important to keep "the human touch" in mind. We have transitioned from our traditional "brick-and-mortar" classes to this temporary remote learning environment. While classes quickly transitioned to online formats, an important element is faculty communication and assisting students through this major change. For faculty that would like more information about learning technology to support your curriculum and academic support for students, contact the Faculty Hotline to schedule an appointment with an academic dean. Remotely Assisting our Students

The Division of Student Services continues to reach out remotely to students to assist with their successful completion of the Spring 2020 semester. Support for students include pin resets, navigating the website, Summer and Fall 2020 registration, financial aid, guest student registration, and communicating with faculty.

Division of Student Services

Professional Development

Dr. Christine McPhail hosted a virtual professional development session with the Division of Student Services on "Supporting Students During the Pandemic-Redesign, Reinvent and Reset." The topics included role clarification, virtual leadership, home technology needs, converting to a virtual environment, adaptability, and compassion.

Eastern Campus

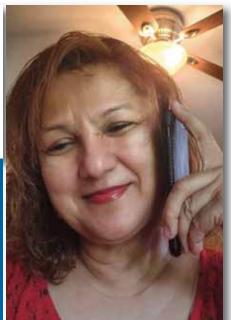

Rain or shine, the Hussman Foundation continues to utilize the parking lot at the Eastern Campus to distribute food to the community.

Help Desk Support

The Division of Information Technology Help Desk assisted students, staff, and faculty this week by phone and email. In addition to resetting passwords for faculty and staff, the team also assisted with multiple requests for technical support.

Weekly Help Desk Support Dashboard

Campus Support Team Meeting

The Division of Information Technology (IT) Campus Support team held a phone conference to discuss the continued facilitation of technological services and support during the COVID-19 pandemic. IT administrators and Campus Support team members conducted walkthroughs at several campus locations to assess current computer classroom setup and tentative updates. Additionally, staff discussed hardware orders and software renewals.

COVID-19 Testing at the Eastern Campus

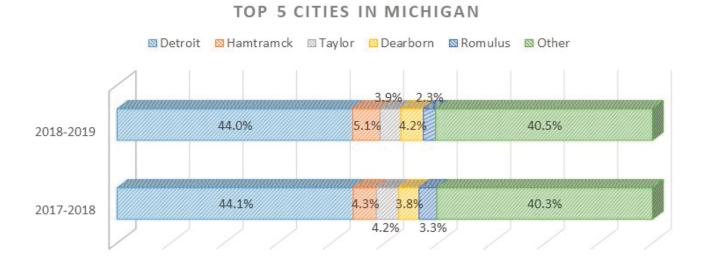

What's Trending in IE: Distance Learning Students

EFFECTIVENESS

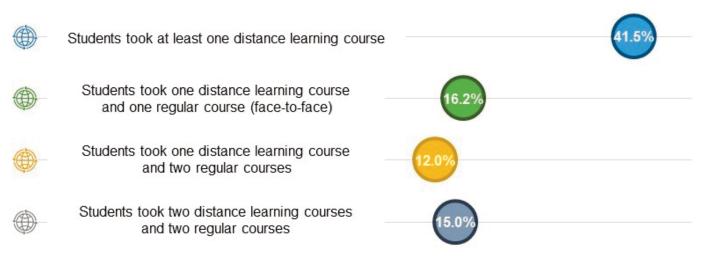

The Division of Institutional Effectiveness (IE) researched students who took at least one distance learning course at WCCCD during the 2018-2019 academic year. According to the Education Department's National Center for Education Statistics, the distance learning grows faster each year. In Fall 2017, 33.7% students took at least one distance education course. Below you will find sample data from WCCCD's distance learning students:

Source: https://nces.ed.gov/fastfacts/display.asp?id=80

98.2% of students who took at least one distance learning course came from Michigan in 2018-2019, compared to 99.2% in 2017-2018

Below you will find some sample data points from WCCCD 2018-2019 students who took at least one distance learning course

Partnership Opportunities

Dr. Harvey Dorrah, Dr. Abby Freeman, Denis Karic, and Kimett Hackworth met with representatives from University of Michigan-Flint. Discussion focused on partnership opportunities.

Ted Scott Campus Practical Nursing Program

Sheila Collins conducted a Practical Nursing Program Summer 2020 selection of courses for students.

District Police Authority

Supporting our Medical Staff

Captain Bahrija Livadic, Lieutenant Pride Johnson, and Officer Eric Eaves represented the District by participating in a drive-by parade at Sinai Grace Hospital for medical staff support.

Best Practices

In advance of our upcoming partnership with CVS Health for COVID-19 testing, Yvette Anderson visited their drive-thru testing site in Dearborn.

Professional Development

Carolyn Carter participated in a webinar on historic preservation entitled "A Conversation with Phylicia Rashad" sponsored by the National Trust for Historic Preservation. Ms. Rashad is the co-chair of the National Trust's African American Cultural Heritage Action Fund. The conversation discussed the power of preservation, the work of the Action Fund, and the historic African American places that inspire all Americans to build a better world.

Mission

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

Vision Statement

WCCCD will be known as a premier community college and innovator in the areas of high quality academic and career education, talent development in support of regional economic growth, diversity and inclusion, and technological advancement.

WCCCD's Values Statements:

- Supporting excellence in teaching and learning
- Honoring diversity
- Serving the common good
- Being accountable
- Operating with integrity
