WCCCD CELEBRATES COMMUNITY COLLEGE MONTH

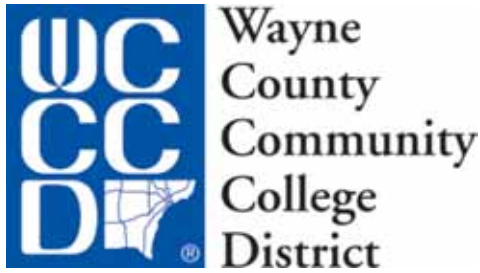

This week, we are featuring student stories, testimonials and sharing student successes demonstrating the impact WCCCD is having in the lives of our students and communities we serve.

"In 2014, I graduated from WCCCD with honors, Summa Cum Laude, and a participating TRiO student! I transferred to Wayne State University earning both a Bachelors of Science (Psychology and African American Studies) and Master of Arts in Rehabilitation Vocational Counseling and Inclusion in June of 2021. While at WCCCD, TRiO poured a lot into me and encouraged me to give back by being engaged on campus and in the community. Because of TRiO Programs at WCCCD, I have obtained academic success by retention, graduation and transition to the next level!
